

Motivated ambassadors are the basis of our success! As a growing international association, we are looking for committed ambassadors for our challenging projects. With more than 3,000 network partners in three countries and an annual event volume of more than 400 events, IFN is one of the largest associations in the field of sustainability in Germany, Switzerland and Austria.

IFN International Forum for Sustainability - www.ifn.eco

For Germany, Switzerland and Austria we are now looking for

Ambassadors

Your area of responsibility:

- Representation of the IFN association in your region
- -Recruitment and support of members, active partners and donors
- Immediate collaboration on concrete tasks and projects
- Support of the regional IFN Circles

Your profile:

- Networker
- Pleasant personality
- First professional experience in B2B is desirable
- Quick perception, initiative, creativity
- Willingness to take on responsibility
- Able to work under pressure, flexible, team player
- Sustainability orientation

Financial aspects:

Our unique marketing participation model allows you a high degree of flexibility, performance orientation and qualification. Thus, our salaries are very different and reflect your effort.
